

COLORADO COUNTY LIFETIME BIRD LIST REPORT
As of July 1, 2010

This list is total bird species seen or heard by the observer in each county in Colorado.

If you have contributed, please check list totals below to make sure they are correct. The next update will be **August 1, 2010**. Please send list updates to mpeterson33@yahoo.com .

The threshold for all counties is 20 species, though only one column for each category, except for Colorado Total Species, which will have two columns. **The threshold for any of the Region Lists is 100.**
