

COLORADO COUNTY LIFETIME BIRD LIST REPORT
As of May 1, 2008

This list is total bird species seen or heard by the observer in each county in Colorado.

If you have contributed, please check list totals below to make sure they are correct. The next update will be **1 June 2008**. Please send list updates to mpeterson33@yahoo.com .

The threshold for all counties is 20 species, though only one column for each category, except for Colorado Total Species, which will have two columns. The threshold for any of the Region Lists is 100.
